## WORLD SIGHT MONTH “LOVE YOUR EYES”

In celebration of **World Sight Day**, a special programme was organized on **October 20th** at **Nethsetha Eye Hospital** to provide **free eye surgeries** for selected patients in need. This initiative aimed to restore sight and improve the quality of life for those suffering from vision impairment.

On this remarkable day, approximately **65 patients** successfully underwent eye surgeries performed by **Consultant Eye Surgeon Dr. J D Dias** and his dedicated medical team. The programme reflected the hospital's continued commitment to eliminating avoidable blindness and promoting better eye health within the community.

## Shramadana Campaign for World Environmental Health Day

In celebration of World Environmental Health Day, our hospital organized a Shramadana Campaign on 20th September. The program was sponsored by the Lions Club of Rathnapura and actively participated by our Chairman, Public Health Inspector (PHI), and Nethsetha Hospital staff.

The main aim of the campaign was to promote a clean and healthy environment within the hospital premises and surrounding areas. All participants joined hands to clean, plant trees, and properly manage waste, emphasizing the importance of environmental hygiene for a healthier community. The event not only contributed to a cleaner environment but also strengthened unity and teamwork among staff members.
